

Edgar's Background

This document provides the background details for Edgar, a fictional character in a Call of Cthulhu (CoC) role-playing game. The content includes a brief biography, motivations, and relevant plot hooks for use in gameplay.

Edgar grew up in the quiet coastal town of Innsmouth, renowned for its eerie legends and enigmatic inhabitants. He became fascinated with the local folklore, particularly the stories of the Deep Ones. As he matured, Edgar's curiosity led him to study anthropology at Miskatonic University, where he delved deeper into the mysteries of ancient civilizations and occult practices.

Motivations:

1. Edgar seeks to uncover the truth about his ancestry, suspecting ties to Innsmouth's shadowy history.
2. He is driven to protect the world from the horrors of the Mythos, even at great personal cost.

Plot Hooks:

1. An ancient artifact discovered near Devil's Reef has ties to Edgar's lineage.
2. Mysterious disappearances in Arkham may be linked to cult activities Edgar recognizes from his research.
3. A cryptic letter from a distant relative warns of an impending cosmic threat.

Use this background to integrate Edgar as a compelling NPC or player character in your campaign.
